Middle Fork American River Rafting Trips - Class 4+

Middle Fork American is just three hours northeast of San Francisco, 1 hour from Sacramento or 1-1/2 hours from Lake Tahoe! Join us on a one day trip that includes lunch or a two day trip with all meals plus wilderness camping. We meet just outside of Auburn, California at Raley's Grocery Store. The Middle Fork one day rafting trip is an enthusiasts dream! A wilderness canyon with Class 3 to 4+ rapids makes this experience a memorable whitewater rafting trip. Tunnel Chute rapid is like no other whitewater rapid in the world. Carved out by the argonauts, the river is forced through a 15-ft wide slide that ends through a tunnel! Appropriate for ages 12 years and older. Ideal for groups, families and special events. Call toll free 1.888.723.8938 for more info.

One Day River Trip is 19 miles and includes a lunch on the river in the wilderness corridor. You are athletic and busy so you'll opt for this long one day trip! 8:00 meeting time and back to

the cars around 4:00 pm. Tunnel Chute is the highlight of the day. Wait until you see Class 6 Rucka-Chucky Rapid, a beautiful jumble of rocks and whitewater that we, of course, portage! We recommend athletic paddlers for this popular one day rafting trip! See [Middle Fork calendar](#) for dates and special rates.

ideal package for the wilderness lover.

We camp in the isolated wilderness of this steep canyon on pristine sandy beaches. The guides prepare hors d'oeuvres and dinner while you lay back on the beach relaxing after the intense Tunnel Chute rapid, a class 4+ rapid of unusual origins. See the [calendar dates](#) on this favorite two day river trip.
